### What is Hand-Picked?

We offer a "hand-picked" option for several types of our stone. This enables a customer to hand-sort and select specific pieces of stone to suit their project needs. Due to the extra labor and waste cleanup this creates for our staff, we must charge extra for this option. Not available for Thin Veneer. Projects requiring large amounts of specific stone may be subject to additional charges and/or special ordering.

### Return Policy

All returns are subject to a minimum 10-25% re-stock fee. House of Rocks reserves the right to refuse unsellable returns at our discretion. Thin Veneer is a non-returnable item.
